EXPERIENCE

Founder and Executive Director | Remembering Earth | 2020 - ongoing

A organization focused on living a meaningful, authentic life through retreats and programs for adults and youth. RE focuses on healing, belonging, purpose, grief, and nature connection.

Instructor | Wild Rockies Field Institute | August 2019 – May 2020

An educational organization where Madison taught and lead multi-week courses in the backcountry on sustainability on the Colorado Plateau specific to social and environmental issues on Dine and Hopi lands

Farm Manager | EcoRanch | 2019

A sustainably minded farm where Madison managed farm growing, harvesting and CSA distribution and interns

Instructor of Sustainability | Upward Bound | Summer 2019

A program for underserved high school students where Madison taught on sustainability to guide students towards making a difference in their communities

Project Coordinator and Instructor | Inward and Outward Project, First Year Experience, Northern Arizona University | August 2017 – May 2019

An outdoor program I founded and directed through the university to support underserved students in their academic and personal well-being through a sense of belonging, resilience and meaning on group multi-day outdoor camping programs.

Education Connect Specialist & Instructor | First Year Experience, Northern Arizona University | August 2017 – May 2019

A program for supporting underserved students entering college where I trained new instructors and designed, implemented and taught new curriculum to students on finding meaning, making choices, feeling belonging and cultivating resilience..

Coordinator and Facilitator | Community and University Public Inquiry, Northern Arizona University | August 2015 - 2019

A program in the university I co-created and directed focused on serving the community and community needs with fifteen teams.

Faculty | Northern Arizona University | August 2015 - 2019

HON 190 English Colloquium (4 courses)

SUS 208 Sustainability Fieldwork (2 courses)

USC 150 Making Major Decisions (13 courses)
HON 290 Honors Seminar Just Food (1 course)
SUS 485 Sustainable Communities Research (4 courses)

Instructional Specialist | FYSeminar Action Research Teams, Northern Arizona University | July 2014 – August 2015

Coordinate, train, and mentor twenty-three team facilitators on empowerment, facilitation, relationship building and cultivating community around community issues.

Facilitator | Weatherization and Community Building Action Team, Community Culture and Environment, Northern Arizona University | January 2011 – May 2014

Facilitate groups of college students to community organize with low-income community members around electricity bills and the environment.

Collaborative Ethnography of Democratic Education | Department of Political and International Affairs; Northern Arizona University | Spring 2014

Assistant to Operations Department | Yavapai Big Brothers Big Sisters | 2007-2010
